Ladies Curling Banquet

On Saturday, January 14th, the Drayton Valley Ladies Curling Club, held their Dominion Zone Playdowns with Brimfield, Edson and Drayton Valley title participating.

The competition was close, with Ruth Gorrie's rink from Drayton Valley battling against Daisy Pempell's rink from Edson for top place.

Edson's rink took the honors. Mrs. Pempell and her rink will proceed to Vegreville on January 31, February 1st and 2nd to compete in the Dominion Northern Competition.

A banquet was held in the Curling Rink on Saturday evening for all players and a good time was had by all.

The Drayton Valley Ladies Curling Club wishes Edson "Lots of Luck" at Vegreville.

a friend from Vermillion, was present and played in the orchestra.

Mrs. Augusta Gladoucer, sister to the bride, Mrs. Sonia Hutchinson, sister to the bride, and her sisters-in-law, Mrs. Joe Vowk, Mrs. Roman Vowk and Mrs. Ivan Vowk, all were identical congenial of pink and blue carnations.

Following a brief honeymoon Mr. and Mrs. MacKenzie returned to Drayton Valley, where both are employed.

BREAKIN IN BOWLING ALLEY
until Tuesday, January 24, when they will again be brought to court in Drayton Valley for sentencing. In the meantime probation reports will be prepared on the youths, with a check made of the records, fingerprints and to forth.

One had lived in Drayton Valley for about five years, one has been here for over a year, and the other has recently come here from another district.

TOWN OF DRAYTON VALLEY HOLDS STAFF PARTY.

A staff party for employees of the Town of Drayton Valley, members of the Recreation Board members of the Town Council and their wives was held in the Town Hall Saturday evening, January 14th with about forty persons in attendance.

Catering was done by Bruce Lee Catering, and those present enjoyed a social evening of card playing and dancing.

Chercher is former A French phrase meaning a chicken in every pot.

National Amateur Boxing Here

Another first for Drayton Valley, and one that will bring much publicity to the town is the National Amateur Boxing Championships which will be held here for two days, in the middle of May, May 12 and 13, Friday and Saturday.

The National Boxing Committee decided to hold the bouts in Drayton Valley, although other provinces were bidding quite strongly for them. The committee first started on two provinces, Ontario and Alberta, for the spot in which to hold the national boxing events. Alberta was decided upon, and the committee then went to work deciding which place in Alberta, out of the many which were bidding for the match matches, should be given the honor, and Drayton Valley was decided upon. Last year they were held in Montreal, in connection with the Olympic Games.

The amateur championship bouts will be held in the Curling Rink, which will seat approximately 1400 spectators, when bleachers are put in. Publicity-wise, the holding of the national championship here will do this town and rink a lot of good. About 50 teams will be here, with the 12 trainers and all the other officials who will be present will add up to about two hundred who are directly connected with the boxing events. Sports reporters, from the daily newspapers, T.V. and radio stations will be present to cover the events.

In 1959 the championships were held in Camrose, and in 1960 they were held in Lethbridge. Both of which are classed as cities. Perhaps the holding of national events in here presages the day when Drayton Valley will reach city status also.

To these men, at least in Drayton Valley, can be much praise for the selection of this town for the 1961 Amateur Boxing Championships; they are boxing director and trainer, Gordon Cross, and Drayton Valley Athletic Association president Jack Falls, and undoubtedly our very fine recreational director, Mike Gomeley has worked hard towards that end also.

He has some fine young boxers here, too. Perhaps one, or even more than one will stand out in his class and bring us added fame.

This is the winning Hinton rink in the Zone 16 playoffs. Left to right they are: A. Smith, B. Nebras, B. Hansen, Skip, and J. Wood. Second.

The continuing success of the Dale Carnegie courses arises from the fact that they develop latent abilities that are present in all normal adults. The Carnegie courses deal with the practical problems that confront every adult in their dealings with their fellowmen both in the social and the business spheres.

Because of the practical aspect of the Carnegie courses it has spread to the extent that it is now offered in over 1500 centres in North America and on every continent in the world. And in recent years is being taught in many languages other than English. 25 % of all enrollments are ladies.

The courses deal with those phases of teaching that are not practical to deal with academically, in schools and Universities. Many famous and well-

COUNCIL MEETING

A summary of the minutes of the Council Meeting held in the Town Council Chambers on the 15th Jan., 1961 at 8:00 a.m.

The meeting got underway at shortly after eight o'clock with the Deputy Mayor D. G. MacKenzie in the Chair. The minutes of the meeting of 29th of December 1960 were read, and upon motion were adopted. The List of Accounts containing vouchers No. 4 from \$64 to \$78 were examined by the Council as a committee of the whole.

(Cont. page 12, Col. 1)

HARRY Y. A. KNIGHT
Harry Knight was born in Halifax Nova Scotia, where his father was a stonemason. His father was killed in World War I. Harry came west in 1928 to become, eventually, an old hand in the oil business; he has probably more years of experience in the oilfields than any other man in this area, with some 33 years in the oilfield behind him.

He came first to Regina, where he worked for a year, and then to Calgary for another year. Then, with the oil strike underway in Turner Valley in 1928 he went there and worked as a roughneck on one of the old wooden rigs of that day. He has been in oil business ever since.

In 1932-33 he ran an 8" gather-

ing live crew for British American Oil Company in Turner Valley. In those days they still used horses in construction work and pipelaying. In 1934-35 he ran a ditching machine from Turner Valley to Calgary for Royalite Oil Company. In 1938 Mr. Knight went to work for Anglo-Canadian Oil Company, as a roughneck and started drilling for them in 1941 in Turner Valley. In 1940 he had joined the 13th Field Corp of the Royal Canadian Engineers and the Army returned him, along with others, to the oilfield, where they were frozen on their jobs for the duration of the war.

He stayed in Turner Valley until the big oil strike in Leduc in 1947 where he went to work for General Petroleum on Atlantic Well No. 3, the well that made history by running wild for a period of six months. Knight worked with the famous wild well tamer, Myron McKinley and Red Adams for six weeks, 12 hours a day, trying to kill the well. Then he was put on a rig drilling a directional hole into the wild well, which was finally brought under control by water-flooding from the West Half Directional hole which Harry had helped to drill. The General Petroleum rig that drilled the directional hole was a steam rig, one of the last to be used in this country.

Mr. Knight went into business for himself, with a partner, and over the period of three years they acquired four rigs, known as Newport Drilling Company, but economic conditions, caused by the steel strike in the U.S. forced them out of business. In 1954 Harry came to Drayton Valley.

DRAYTON VALLEY ATHLETIC ASSOC.
 THE DRAYTON VALLEY ATHLETIC ASSOCIATION MEETING January 19, 1961

The regular meeting of the Drayton Valley Athletic Association was held January 19, 1961, in the Recreation Room, Town Hall.

There were twelve members present.

President Jack Falls opened the meeting at 8:10 p.m. with the reading of the minutes of the previous meeting held January 8, 1961. Chuck Olson moved that the minutes be adopted as read, seconded by Ole Olson, Carried.

Treasurer's Report
 The Treasurer reported a Bank Balance of \$350.73. He also reported that \$88.05 was cleared on the Cribbage Tournament and \$35.75 on the Boxing Card (to date) and the concessions for both netted \$16.41.

C.D. Fuhr moved that the Treasurer's report be accepted as read.

STYLING
 Meet the car that's so much a part of '61. Pontiac—with its sleek, trim, sleek exterior that moves you into the future, its elegant and smooth interior... a balanced combination of dignity, prestige and youthful good taste that tells you that Pontiac is undoubtedly the finest car in its field.

ENGINEERING
 Here's a car that's soundly engineered from the down up! You're cradled in comfort and security because Pontiac's rugged frame foundation means a lower centre of gravity for safer driving—smoother handling and cornering. And Pontiac's superb suspension gives you a job-free ride on any terrain.

LUXURY
 Step into a new Pontiac... doors are wider, open farther so you can slide into luxurious deep foam-cushioned front seats with greater ease. Seats are higher with all the headroom, legroom, footroom and shoulder room you could wish for. Sparkling upholstery excites the admiration of all. Yet these features barely start to spell out the Pontiac luxury story.

AND VALUE
 Critical engineering, quality construction, superior new materials and finishes combine to make Pontiac a car that will give you better performance longer... with less maintenance and greater gasoline economy. You'll never realize how much value a car can give you until you own a '61 Pontiac.

When the car is optional at extra cost

Falls contacted the Chairman of the Alberta Boxing Commission and he has had no further word either.

Hockey
 It was reported that hockey is full swing and games are being lined up for the various teams. Goals masks and hockey sticks were again discussed, but were finally set over until next meeting.

Curling Tournament
 It was felt that the curling tournament was very successful, being the first of its kind in Drayton Valley. There was some discussion on the matter of rules and the number of hands each player was allowed to play, etc., and it was decided to set up a committee to look out some of these things before the next tournament which has been set for February 9th. C.D. Fuhr moved that the further discussion be set over until the next meeting, seconded by C. Rosenberg, Carried.

New Business
 There is still no definite word with regard to the Drayton Valley Curling Championships. Jack

CALGARY POWER LTD.

SERVING THE PROVINCE OF ALBERTA

When the first settlers came to Alberta, they had no idea that electricity would someday be carried for hundreds of miles. The first hydro developments were small water-wheel plants to serve individual operations. One of these was the old Calgary Water Power Plant on the Bow River just west of Calgary's Centre Street bridge.

Over the years Calgary Power has grown with Alberta, developing power to serve Alberta towns, farms and industries. The Bow River hydro power system in southwestern Alberta, strengthened by storage developments, permits the careful use and re-use of all available water and is assisting in meeting the future power needs of Alberta - Canada's "Province of Opportunity!"

REVIVAL MEETING

Residents of Drayton Valley and surrounding district are cordially invited to attend Special Gospel Meeting held in the Legion Hall. Please note the following:

Rev. R. Dowbush, pastor of the Thornby Pentecost Church, and congregation will be present for a service on Sunday, Jan. 29, at 7:30 p.m. Rev. Dowbush will be the speaker and special

musical or vocal number will be rendered by talented young people from his congregation.

Rev. P.R. Kabanuk, from Seattle, Washington, will hold a series of meetings commencing Tuesday, Jan. 31, at 1:00 p.m. The other service will be: Thursday and Friday, Feb. 2 and 3 at 8:00 p.m. and Sunday, Feb. 5 at 11:00 a.m. and 7:30 p.m. His faith-inspiring Bible messages will be greatly enjoyed by all who come.

"Ho, everyone that thirsts, come ye....." Isa. 55:1.

GYMKHANA NEWS

With preparations under way for a dance on Feb. 10 th, time to write a lengthy article is limited. We're hoping that the article

in the Jan. 19th issue of this paper hit home to some of our parents and they take it to heart instead of being offended. We all have heard the old saying "If the shoe fits wear it!" Gymkhana style "If the saddle fits cinch it up!"

As referred to earlier we are venturing into another dance. We are certain the turn out for this one will be a success. As satisfying as the last. This dance will be conducted similarly to the Dec. 9 th, having novelty dances with prizes and a door prize, with one exception the ladies are to decorate a box and

an automet will auction off these lovely decorated boxes to the waiting gentlemen. Two of our braver members are going to fascinate us with a bit of humorous entertainment. At this point mentioning their names might change their minds.

We previously mentioned listing horses, wanted and horses for sale. To list your horse, phone 542-2006.

The patient complained "Ten dollars is a lot of money for pulling a tooth that just takes a couple of seconds to pull." Well, when we pulled the dentist, "I can pull it very slowly."

Looking at Recreation

by Michael Gormley

Recreation Director

AN UNWELCOME VISITOR - Last Monday, January 16, Drayton Valley was honored with a visit from one of the key personalities of the recreation sphere in the Province of Alberta. Jack Riddell, Assistant Supervisor of the Community Recreation Bureau spent the day in town, meeting with the Drayton Valley Recreation Board and going over the entire recreation program with the Recreation Director. Mr. Riddell was more than satisfied with the progress of the town's recreation facilities, and he thought that the town had progressed at an electrifying rate since his last visit here, a little over a year ago.

Jack certainly liked what he saw and re-emphasized the fact that growing, and most progressive town in Canada today. He thought that the new skating rink and the accompanying dressing room at the Rotary Community Park were excellent. He commented most favorably on the recreation office, the curling rink and certain other recreation facilities in the community.

The Community Recreation Bureau of the Provincial Cultural Activities Branch in Edmonton sent a representative to visit every community at least twice a year. On the part of most recreation boards and I would say on the part of every recreation director, this representative is a looked for and most welcome visitor.

Here is a personality who knows the answer and can give definite and qualified advice in most any matter dealing with leisure time activity. A director may think he is doing a fine job and in fact he may be doing a splendid job of work, however, as time goes on, little problems accumulate and it is certainly wonderful to be able to sit down with qualified personnel from time to time and get those little moaners cleared away, or at least get some qualified advice. Personally I benefited greatly from Mr. Riddell's visit. He is a most welcome guest and the hours I spent in his company were very enjoyable and most profitable to me. Eventually the whole community will benefit from Mr. Riddell's visit, since with that much more expert counsel and coaching behind me I should be able to go forward and do that much better job recreationally for you people.

D.V. FROM COAST TO COAST

Before this year is half over the Town of Drayton Valley will be frequently mentioned on radio and T.V. from the rocky coasts of Newfoundland to the foggy shores of British Columbia and from Fairbanks, Alaska to the International Border. Why such widespread and sudden publicity for a town of a little over 4000 people in the heart of Alberta? The answer - Drayton Valley will be the site of the 1961 Dominion

encounter short and doing a bit of purchasing before sundown, however, so far, so good, now let us keep our fingers crossed that "Old Dot" does not get over-generous during the next month and permit us to finish what we have started.

All scheduled Pee Wee and Bantam games were played during the past week, plus one postponed Pee Wee game which was run off early Saturday morning. Among the Pee Wees, the "Canadians" kept a clean record going into the second half of the season with five straight victories. They downed the Rangers 4-1 on Tuesday evening and went on to blast the Red Wings 9-0 two days later. Terry Ward was the big gun in both games scoring a total of seven goals. Fred Ken and Kenny Lawson got a pair of tallies each while Jeff Larbaletiere got a single. Ben Bittorf scored the lone Ranger goal. The biggest Red Wings continued their winless streak bowing to the Rangers 1-0 on a goal by Brian Church and drop ping 3-2 and 6-3 games to the Hotel Flyers. Gary McMorris and Roy Leventik were the Flyer man in both games collecting a total of three goals each, Jim Cahoon and Lee Casey were the other marksmen. Paul Joyce and Jerry Lewis got a pair of tallies each for the Red Wings while Glen Woods rapped in the other Wing goal.

In the other Pee Wee fixture played Friday evening the Rangers blanked the Flyers 2-0 on goals by Don Anderson and Kien Brooks.

The regular scheduled three games were played in the Bantam loop. On Monday evening the Elks edged the Rotarians 4-3 with Billy Nutter scoring a pair of goals for the winners, while Allan Mattoon and Kenny Sieben got singles. Mattoon also collected two assists. For the Rotarians Lorne Huski got two markers with Ken Billa scoring once. This was the first defeat for the "Sons of Rotary" this season. Wednesday evening saw the first up roll to a 5-1 decision over the D.V. Dry Cleaners Oil Kings. The Elks goals were delivered evenly at one apiece for Allan Schultz, Allan Mattoon, Kenny Sieben, Barry Boushager and Billy Nutter. Sieben also assisted on Schultz's tally. Gordon Brown saved the Kings from a whitewash job with a second period goal. The Rotarians stormed back into their winning ways Friday evening by posting the Oil Kings 7-1. Cliff Lindskoog and Eddie Huxal led the attack for the Rotary team with a pair of goals each while Kenny Billa, Cliff Mattoon and Lorne Huski got the other tallies. Barry Johansson beat Terry Mannum on a penalty shot awarded against Mannum late in the game for the only Oil King marker.

It meant playing in the club a few times, cutting a few

HOCKEY RESULTS: Well, good weather or bad weather we finished the first half of the intra-town "Minor Hockey" schedule last Saturday morning only one day late. It meant playing in the club a few times, cutting a few

SECOND SECTION

THE PEMBINA NEWS ADVERTISER Drayton Valley, Alberta. January 26, 1961

LIONS CHARTER NIGHT BANQUET

Deputy District Governor Bruce Aubrey addressing the group at the Lions Charter Night Banquet in Drayton Valley Hotel Cardium Room last Saturday evening.

District Governor Lion Ruddy Ripple making a presentation to Lion President Ron Carter at the Drayton Valley Lion Charter Night Banquet.

with over 100 members and guest present for the occasion Drayton Valley Lions met at their Annual Charter night banquet and dance on Saturday, January 21st. The dinner was served in the Cardium Room and the Lions, their ladies, and guests then went to the Elks' Hall where dancing was enjoyed till midnight, to the music of an orchestra from Edmonton. A very much appreciated part of the evening's program was the barbershop quartet from Camrose, the Northmen, who entertained the group at Elks' Hall with their excellent harmony.

The Program at the Cardium Room included the Call to Order by Lion President Ron Carter, singing of O Canada by the assembly, invocation given by Lion Father Scriven, followed by dinner. Master of Ceremonies for the evening was Past President Dunc Larbaletiere who performed very admirably in that office. Song Leader was Lorne Savers, who led the group singing to music supplied by Mrs. Eleanor Pickup at the piano.

Following the Toast to the Queen Lion Dunc Larbaletiere introduced the guests and visiting clubs. Toast to the ladies was given by Lion Keith Peterson to which Lioness Lady Marion McKennie gave a very fitting reply. Mrs. McKennie was praised into service at the last minute as a result of the sudden illness of Lion Lady Connie who had previously been pegged to give the reply. An able member of the Toastmistress Club, however, Lion Lady Marion, convalesced the group with her story of the "Mother of three Children" and went on from there to make a very successful speech of Reply. Lion Adrian Miles, as Mayor of Drayton Valley, gave a very good speech of Welcome, which was followed by the Introduction of District Governor, Lion Ruddy Ripple by Zone Chairman, Lion Roy Hume.

HOSPITAL ADDITION

Pictures on this page taken by Staff.

In his opening remarks the speaker told of the Negro lad who fell into a barrel of molasses and then prayed, "Lord, make my mouth shut to this occasion." In the course of his speech Lion Aubrey stressed that the case of the service club, where whether it might be Lions or any other of many excellent service clubs in this country should be a case of 7 men looking for a job of community service they could do in their community rather than a club to which they could belong.

"HAPPY HOUR"

Mrs. George Allenbach, with experience as a director of Happy Hour Clubs in Saskatoon, Saskatoon, will be director for the local group. Miss Myrtle Dyck, field director for the Happy Hour Club in Drayton Valley, recently to help the group organize.

(Cont. page 2, Col. 2)

WHITE BULL RESTAURANT

Newly renovated and decorated the White Bull Restaurant has a very pleasant interior, which is shown in this picture. Owners, George Varis, his brother Peter have moved the grill into the back, thereby eliminating all kitchen cooking odors and in its place have put in extra tables. The ceiling has been dropped for an enhanced lighting effect, and the entire interior of the restaurant has been redecorated in very attractive shades and designs. The restaurant has a reputation for an excellent cuisine.

BOXING MEETING

A meeting was held in the Drayton Valley Hotel on Sunday, the 22nd January, 1961, at 2:30 p.m., to kick off the plans and administration of the Dominion Boxing Finals being held in Drayton Valley on the 12th and 13th of May, 1961. Present at the meeting were Mayor Adrian Meier, D.V.A.A. Chairman Jack Falls, Recreation Board Chairman Herbert Dermen, Recreational Director Mike Gornley, Andy Anderson of the Boxing Club of Drayton Valley, Alberta Branch of the Athletic Union of Canada (Chairman Gordon Russell), Alberta Branch of the Athletic Union of Canada (Chairman George Bougie), and Town Secretary - Treasurer W.G. Johanson.

Discussion commenced a few minutes after 2:30 p.m. after Jack Falls was elected Chairman of the meeting.

The Chairman opened the meeting by stating that the purpose of the meeting was to outline the plan to organize the Drayton Valley Recreational bodies in a concerted effort toward a successful Dominion Boxing Playoff. He pointed out that, although it was the responsibility of the Alberta Branch of the Athletic Union of Canada for the overall promotion and planning of the event, it was, to a large degree, the duty of the local Athletic and Recreational bodies to organize and coordinate the events and activities of the program.

The members of the Alberta Branch of the Athletic Union recommended that Major Orlan of the Western Command Headquarters of the Canadian Army be contacted as he has already offered the Army's Ring and Accessory Equipment as well as the services of some of the Army Personnel experienced in the organization of boxing events. It was decided that Major Orlan would be contacted immediately for his recommendations and help in all phases of the project.

It was brought up that Camrose on the occasion of having the play-offs had an excellent application form and, if possible this might be used as a guide in drafting the Drayton Valley application form. The decision was unanimous to procure a copy of the Camrose form and Scout McGrande suggested Gerry Williams as a most likely party to get one from - in fact, he felt quite certain he had a form on hand.

In the discussion regarding billeting the boxers and their coaches, the point was brought out that in most cases, coaches would want to be billeted with their men. Also it was pointed

out that rooms for the referees, judges, umpires, and other officials of the play-offs would have to be supplied; and not least of all accommodations for the National Boxing Chairman and his retinue.

Estimating the number of boxes that may be participating it was finally thought that somewhere between 40 to 80 would be the most likely number.

In considering the weight-in Committee the following points were emphasized:

1. This committee is appointed by the National Chairman upon recommendation of the Provincial and Local Body. It should consist of at least three members and it was suggested that probably Jim Parsons would be one of those chosen. The members of the Alberta Branch of the Athletic Union recommended that the Drayton Valley body have a member on this committee. It was remarked that this would be the logical Committee to provide the admission passes and Ribbons of Qualification to each contestant as they passed the weight-in registrations. Mr. Bougie also pointed out the advantage of having two identical balance scales - one for practice weight-in and the other for the one qualifying weight-in for each contestant to make as many practice weight-ins as necessary before having to make his qualifying weight-in. The practice of adhering strictly to the National Rule Book in all phases of the weight-in as well as other facets of the event is to be followed.

2. Prior to the weight-in, each boxer would be required to submit to the required Medical Examination and only medically fit personnel would be allowed into the weight-in formalities - unfit personnel being disqualified to participate of course. Decision would of necessity be required to be in attendance at all times during the event and most especially whilst any fight was in the ring.

The Draw Committee is usually made up of four men - the recorder, the draw-maker and two out-of-town officials - one of these out-of-town officials could be the National Representative and the other the Provincial Representative of the Province having the most entries. George Bougie intimated that he would act in this committee if so requested.

Also on recommendation of George Bougie it was decided that, if all contestants in the same weight class had come from the same Province, they be assured that they will not be required to fight one another on the same day, if possible.

The Registration Committee is to work along with the Draw Committee, (N.B. Get application forms from Camrose for copy to draft our application form.)

Doctor Examination Committee.

Dr. Waugh has been approached and has signified willingness to act as chairman of this committee and has also intimated intention to request aid from the Drayton Valley Medical Centre to provide more medical examinations.

Dressing Room Committee.

This committee is to be in charge of dressing rooms and equipment therein. Be sure to have official time clocks, synchronized to one exact time to obviate any arguments regarding weight-in time and weight-in time termination. Suggested weight-in time to be 9:00 a.m. to 1:00 p.m. on the first morning of the events. Coaches meeting to be scheduled after weight-in conclusion.

Master of Ceremonies & Announcer Committee.

This is a very important committee and can mean success or failure to the whole operation. Have the Drayton Valley local committee meet with the Alberta officials for arranging appointments and locations to Don Chertier, Ernie Albright, Al Shaver and other top flight radio announcers and sports speakers of note to participate in our show.

Score Card and Jury of Appeal Committee.

This committee is appointed by the National Chairman and may consist of four or five members.

Publicity Committee.

This again is a very important part of the whole program. Since in no small degree success can only come if there is good sports participation. In order to assure top notch performance on the part of the contestants it is

necessary that there be a good audience. Now in order to achieve this the publicity committee must take advantage of every avenue of approach. Get all local clubs and government bodies together and striving for the one goal - a first rate performance. Enlist the aid and facilities of all media of advertising - newspaper, radio, television, club

The Chapel Hour

Sometimes a guy, while waiting for a business meeting to start, I overheard a financial discussion at my end of the table. "Have you thought about TPA as a boy lately?" came to me as I listened. "The safe way for me," replied another voice, "is AT&C." "Then a voice with seeming authority spoke up, "The boy of the year is K&L."

One of the men turned to me and asked, "What do you think is a good buy?" I answered that I did not give much thought to the matter any more. "But," said my friend, "I've heard you say that some years ago you sold securities. Surely you have some thing in mind that would be a good buy."

"If you insist, I do," I said with a smile. "I have a tremendous buy, LG&C." My friend obviously had never heard of such a stock. "You mean it would be a good buy in our present inflation?" replied that it would be "But suppose," he asked, "we went into a depression?" I assured him that it would be the best buy he could ever make. "But how would it act if some thing happened in our same world situation?" Again I assured him it was an incomparable buy at any time and under all conditions.

Just then the meeting was called to order, and I forgot all about my recommendation. After adjournment my friend conferred me. "About this LG & C" he began. By then I thought that my little prank had gone far enough. I explained that my recommendation was not in dollars and cents but to thought and feelings. "LG & C is no physical corporation," I explained, "but a philosophical ideal in us to go off all our human fears, weaknesses, and limitations and let the guiding, protecting, prospering power of God take over in our lives. LG&C simply means let go and let God."

Much to my surprise my friend smiled after a thoughtful pause. "I don't know how much I'll be able to buy," he replied, "but I surely will think it over!"

are guaranteed abilities and rewards far beyond our human expectations.

A five-year-old boy visited the Grand Canyon for the first time. As he looked over the rim, he was told by his father that it was a mile in the bottom. Thoughtfully, he picked up a small stone and threw it over the edge. That night he wrote in his diary, "Today I threw a mile."

In his childhood way he had worked with God's law of gravity in order to throw a mile; literally he had let go and let God do the work. We must let go of human will and let God's law work in our lives. When we do this, we release powers and abilities hitherto unknown to us; we are freed of our human fears and limitations.

It is not easy for us to let go and let God, for it is not easy to release one's familiar fears, resentments, and limitations. It is in retrospect can see that we have held on to the lesser and resisted the greater; we can see that in many of our decisions we have held on to human will and resisted God's will.

Always, a part of us wants to let go of our fears and prejudices and let God take over; but another part does not. Jesus went through this struggle at Gethsemane, where He made the perfect "investment" - never shaken our will, but, this time, He did it. He affirmed.

This is the perfect embodiment of Jesus' ideal of prayer. "Not my will, but Thine, be done," represents victory for all mankind, as it did for Jesus. It is a prayer for real life. But it is a difficult prayer to pray because human will is so dear to us.

Jesus was able to make the adjustment to God's will in His time of crisis because that was His way of life. We cannot afford to wait until a crisis comes to let go and let God. We must constantly make this investment in our thinking, feeling, and doing. Instead of willing to perpetuate a choice bit of gossip, to feel sorry for ourselves, to get even with someone, we must affirm, "Nevertheless not my will, but Thine, be done."

MILLIONS ARE LISTENING!

present the word of God on this timely subject; also hear your favorite old hymns of the faith sung by the consecrated choir of the A.R.C. Network and affiliated stations
EVERY SUNDAY
Station Time
C.F.R.N. 8 A.M.
Tune in this Sunday!

We cannot expect to "let go and let God" in the big things of life if we do not practice this in the everyday things. Our freedom to choose between the lesser and the greater must be trained and disciplined. There is no short cut.

If we were granted only one prayer, what better could we choose than a prayer that God's will be done? In our human ignorance we often ask for blessings which, if we had them, would work us harm. Someone has wisely said that the greatest punishment God could give us would be to fulfill all our wishes on our own terms.

We are headstrongly unconsciously we try to bend God to our human desires. We invert the prayer of Jesus: in effect, we pray: "Nevertheless not Your will, but mine, be done." We

must learn to make this investment in letting go and letting God, knowing that God's will for us is always for our highest good; that God is always leading us victoriously through every experience. Then our prayer that God's will be done will not be as a last resort but as our first choice, with a deep conviction that God is leading us victoriously from the human to the divine, knowing exactly what we need and when we need it.

You have every reason to let go and let God. You are being led on this wonderful journey of life by God who created you. Trust Him in your daily living. Practice living consciously in God's presence and power. What

LOOKING AT RE 'RATION

In All-Star action during the Banquet, Nick Ucheyko's hand-picked squad travelled to Barhead last Sunday for their second outing of the season. The boys' team gave a splendid account of themselves but dropped a close, hard-fought 3-1 contest to the host team. All the scoring was done in the first period with Ken Billa scoring on a Huddal pass at 1:30 in the first half. Barhead struck back first with two goals and tied the score before the rest of the game. Terry McKinnon played a good steady game in the D.V. net.

There were several practice sessions for the local Midget team this past week, but no actual games were played. The locals were to have played Wabamun last Sunday, however, the game never did materialize. Their next outing is scheduled for Thursday, Jan. 26, when they host the Midget team from Tonawaka.

In the juvenile ranks, "Chuck" Din's Pipelines played Loogoosie in a glorified practice session on Jan. 17, winning 7-0 at the local rink. Tommy Slesien and Alvin Hope led the D.V. team with a pair of goals each.

On Sunday the Pipelines were at home to the Calmar Bobcats. In this one the locals got off to a slow start but came back with a four-goal rush in the second period and added two more in the final frame to take a fixture 6-3. Once again Alvin Hope and Tommy Slesien led the Pipelines to victory with a pair of goals each while Teddy Smith and Sherman Mohr got the singles. This was the first victory to date for the D.V. squad who are a vastly improved hockey team.

TOWN BAND PRACTICE: - As the days go on the newly formed Drayton Valley Town Band is gradually taking shape and before too many months they should have a pretty fine band playing in our community. Karl Wahl has taken over as director and the first actual group practice was held at the Legion Hall on January 20, with some eighteen interested persons in attendance. Several of those present practiced a series of the simpler selections with exceptional success. In fact, everyone present was very satisfied with the opening performance and likewise more than enthused about the future progress of the band. Personally, I received a very pleasant surprise when I heard the quality of music produced at that first practice. I would say that it most certainly will not be long until we have a town band playing for us. With a qualified and enthusiastic leader in the person of Mr. Wahl a group ready and anxious to get going and plenty of financial backing the way to success should not be too difficult.

W.I. MEETING

By Ines Ocar - Secretary

The regular monthly meeting of the Women's Institute was held in the Library on Monday, January 16, with 10 members and 3 visitors present. Mrs. Chappelow, handicrafts convener, drew up a list of handicrafts and members those which they wished to do. These items are to be entered in the Constitution Conference Competition at Wabamun in June. It was decided to buy 2 pairs of glasses for pupils in the school. Members also voted in favor of

giving an annual lunary to students at Wabamun from Drayton Valley. The lunary will be given at the capping ceremony.

The highlight of the evening was the slides shown by two ladies Miss Shevchenko and Miss Thiesen who have spent some time in Hong Kong. Mrs. Dohy served a delicious lunch.

2 shows daily. 7 & 9 p.m. Sat. matinee 2 p.m.
Fri. Jan. 27. "BORN TO BE LOVED" Carl Morla, Dick Kallman.
Sat. Jan. 28. "CART ON WHEELS" Shirley Eaton.
Sun. Jan. 29. "THE WASP WOMAN" Fred Easley and Susan Cabot.
Mon. Jan. 30. "CART ON WHEELS" Shirley Eaton.
Tues. Jan. 31. "BOY AND THE LAUGHING DOG" Walter Brennan.
Wed. Feb. 1. "BLUEBEARD'S 10 HONEYMOONS" Geo. Sanders.
Thurs. Feb. 2. "ODDS AGAINST TOMORROW" Robert Ryan.
Fri. Feb. 3. "ODDS AGAINST TOMORROW" Robert Ryan.

YOUR FAMILY ENTERTAINMENT - FINE.

GREEN ACRES
By DICK SOCKING
Vitamin A is Needed

Not long ago, Vitamin A was something remote and seldom mentioned by stockmen. In recent years it has become an important part of any livestock feeding program.

No one knows why our livestock are showing more evidence of vitamin A deficiencies each year. But this is a fact. And so we find that thinking stockmen are feeding vitamin A as a matter of routine - just as they add penicillin and minerals to their rations.

It is only a vitamin A deficiency showing up more in our stock, but it is showing up earlier in the winter. A few years ago, it seemed that February was soon enough to begin feeding vitamin A. But now, signs of deficiency are showing up as early as November. So it would seem that livestock do not store vitamin A as they once did from summer pasture for as long as was thought. This is particularly true in dry years when pasture is not good, or when cattle have been running on both or other poor pasture.

It seems that there is some confusion regarding the new take-photos and your file department so we'll devote this column to explaining how it works.

When you want to rent a file just dial the number listed in the book at "FIRE ONLY" - 542-3211. That number connects you to some special phone operators placed around town, the police office, the power company office, fire hall, and the homes of the fire chief, assistant fire chief, and two captains. When someone answers, just give your name a good accurate location, and the nature of the fire. By the time you have done this everyone is on the line, and after you hang up the fire department will arrive in a matter of minutes.

Originally it had been decided that if an alarm had been turned in during the day when all the men were at work the alarm would be used. However, if a call was received in the evening or at night the firemen would be notified by phone, thereby eliminating the scream of the siren, leaving "n" children to sleep and cutting down on the confusion caused by sirens. However, at the moment it looks like we will continue to use the siren, wake the children, and if necessary turn the hose on the curious tongue, none you can't think.

One thing, it is hoped that there are a couple of very busy phone numbers that don't ring frequently. As these special alarm phones are quite small and as few of them are in private homes they can play havoc with children's naps and mothers' nerves. We ask you to please take extra care when dialing a number close to this and save those consumed a lot of unnecessary inconvenience. Mother needs the sleep.

How are you going to know.....

CHURCH OF GOD NEWS

The Church of God set a 1961 budget of \$9,886, 94/100, just the same as last year, at the usual congregational meeting to January 11. It designated \$340.00 for Ministers, Albert, Bible Institutes, Canada \$1.50 for the "Bible" and the radio program of the "Christian Brotherhood Hour" heard over CHED every Sunday morning at 9:00 o'clock.

It was reported that considerable improvement to Church property was accomplished to provide better and a larger church program in the future for Drayton Valley and community. It was also reported that there has been an approximate increase of 36 of Sunday School enrollment and attendance over the preceding year and this year it is planned there will be continued increase in enrollment and attendance in the Sunday School program as it seeks to serve forth the teaching of Jesus to children, youth and adults.

CHURCH OF GOD NEWS
(Cont. from page 9 Col. 3)
las Erickson, the Secretary and Treasurer, Mr. T. W. D. Johnson, there were reports given by the various departments of the church work. Mrs. G. Allenbrand and Mrs. D. Carverlight gave the Women's Ministry secretary report; Pastor Wilf gave the Board of Christian Education report; Mrs. D. Greiner gave the Advertisers' report for the Crusaders Fellowship; Mrs. D. Carverlight gave the Advertisers' report for the Top Teens; Mrs. F. Allenbrand gave the report on the children's choir with Mr. Stanley Schleck reporting on the adult choir; the Friendship Club report was given by Mrs. D. Erickson; the Cradle Roll report by Mrs. Syd Mitchell; and the Scripture Union report by Mrs. Hugh MacLure.

Mr. Kenneth Madson was elected as head usher, Miss Ella Diener was elected to the Board of Christian Education, Mr. Jim Ray was appointed to the Sunday School Superintendent's office, with Walter Diener being appointed to the position of Assistant Sunday School Officer.

The church organists for 1961 by appointment are Mrs. W. Diener and Dr. and Mrs. Hugh MacLure. Rev. J. C. Wilf is the Church Pastor. The church is on the corner of 48th Street and 80th Avenue.

D.V. Highlights

BY EDITH DERY
Mrs. H. M. G. H. M. is a Ministerial hospital convalescing after a major operation.

Little Darleen Uchayn, daughter of Mr. and Mrs. Bohlen Uchayn, spent several days in hospital at the first of the month but is feeling better now.

Mrs. Mary Zolmer had a letter from her friend, Sally Clanton. The Clantons were transferred to Alaska before Christmas and now live on the Kana Peninsula, about 165 miles from Anchorage.

Ms. Clanton says the cost of living is terrible in Alaska. She says the prices for the goods were about \$5.50 a can of milk, \$5.50 a quart and steak \$1.95 per lb. Kana School, which Clanton attends, is large, new and modern.

Walter Krause has been managing the Edmonton branch of Scots Tire for three weeks while his brother Iain holiday.

Miss Thiesen and Miss Shevenek were the guest speakers at a girls' meeting of the Women's Institute.

Speaking at the topic "Health in Your Home" Miss Shevenek spoke of her experiences while teaching school there for a period of four and a half years. Health conditions, poor at the best of times, have been made much worse by the influx of refugees from communist China.

dry clothes

SUNSHINE CLEAN

indoors with gas

It's like having built-in sunshine in your basement, no fooling! Save the sunny days to enjoy your self outdoors — leave the dull days to do your laundry, using the sunshine-clean heat of gas. Matter of fact, gas is better than sunshine for drying clothes! You control the heat to suit the fabric; you never worry about fading or discoloration with gas and you save wear and tear on your clothes, with the gentle tumble action. All this for 15¢ a month or less, for the average family. To be sure of the best value, pay a little more, and buy a gas clothes dryer!

ley and built the R.A. station, which still operates under the name of "Knight Service". He sold out his interest in the service station and went out in the field again as field superintendent for Western Riggings Co. At present he is field man for Canadian Well Services.

Mr. Knight has behind him a real history in oilfield work. In 1938, on a Cal Standard lease at Crawford a well that he was drilling, blew out, blowing down, killing one man and injuring two others. It was on this lease also that the first deal rig in Canada was used, a rig that they built right on the lease. He has run pipelines and been in general oilfield work for the past 35 years.

Mr. Knight was one of the first elected councillors of the new Town of Drayton Valley; he was charter member of the Rotary Club, and a member of the Chamber of Commerce here while in Drayton Valley he was a member of the Board of Stewards for the United Church. A couple of years ago the Knights sold their house in Drayton Valley and moved into Edmonton where they purchased another house and where Harry now lives with his family.

Stony Plain, ALBERTA

Athletic Union - Secretary
..... Glendale 5 - 0388
..... Granite 9 - 8431

Make arrangements with Stony Plain School Division No. 23 for use of gymnasium as practice facilities during Dominion Boxing Finals, May 12th and 13th, 1961.

The meeting adjourned at 6:15 p.m. and the visitors were taken on a tour of the facilities to be used for the Dominion Finals.

Hockey

Drayton Valley Rebels Hockey team have two games lined up for this weekend. On Saturday they will play Spruce Grove F.H.A. in the local rink, at 8:00 p.m., and the next day, Sunday

January 29th, at 2:30 p.m. the afternoon they will play Wabamun in the local rink.

The club boys have been playing first class hockey all season and will provide a good show for any who go out to watch these games.

CURLING

By: Al. Casey, 1960-1961 Zone Convener.

The Zone 16 playoffs were held in Drayton Valley this past week-end with nine rinks competing.

Our representatives gave a very good account of themselves, but lost out to a very good rink from Hinton. The Hinton rink, skipper

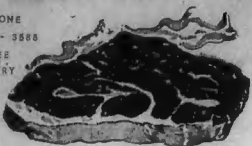

by Sam Hansen, went all the way through without a defeat and thus earned the right to represent this zone in the Northern Alberta Playoffs in Northwight, February 9, 9, and 10.

The Annual Zone meeting and Banquet was held Saturday evening 8 in the rink, with Mr. G. Copp of Hinton, being elected as Zone Convener for the 1961-62 season. Next year's playoffs will be held in Hinton, the third weekend in January.

A mother and her small daughter were attending a symphony concert. During a brilliant movement, the child, who was watching the conductor intently, whispered, "Mama, what makes the music sound like they're playing an instrument they can't see?"

(Cont'. from page 1, Col. 3)

known men in all walks of life with the advantages of advanced education, have taken the courses and have found them to be of inestimable value in their dealings with their fellowmen.

There are many, no doubt, who have heard of this famous course, or who may know someone who has taken it, who would like to take the course themselves. Let have never had the opportunity before. Enrollment is still open and anyone who wishes to avail themselves of this opportunity may contact Mac MacKenzie, Rotary Club president, or call 542-9435 for further information.

COUNCIL MEETING
(Cont'. from page 1, Col. 3)

and motion was passed to approve and pass them for payment. Council then made a decision to meet with Haddon, Davis, and Brown Ltd. representative to discuss the Engineering accounts submitted at such time as possible.

lent to the firm but if possible not later than the end of the month.

Patricia Yukon Foreman Roy Stevens was authorized to attend the Third Year Course on Water and Sewage Operator's Instruction, at the University of Edmonton on 16th to 20th January, 1967.

Councillor John Swanto and the Town Engineer were set up as a committee to look after equipping the Water Tower with a Red Warning Light. Council also decided that Insurance Coverage would not be required on the Elevated Water Tower.

The Council re-appointed Willet Berge, and Co. as auditors for the next ensuing year and at the time directed that a request be forwarded to the Dept. of Municipal Affairs to appoint an Assessor for the Town of Drayton Valley to make the Assessment for 1967.

A Town Salary Schedule and were asked to bring in a report on a date convenient to the committee.

A petition from a group of the local Retail businessmen regarding early closing hours was placed before Council. The petition requested Council to amend the Early Closing Bylaw in order to provide for a half day closing on Wednesdays and Monday nights closing. This would mean that shops in the town would be open during the following hours:
Mondays... 8:00 to 9:00 a.m. to 6:00 p.m.
Tuesdays... 8:00 to 9:00 a.m. to 6:00 p.m.
Wednesdays... 8:00 to 9:00 a.m. to 12:00 noon.
Thursdays... 8:00 to 9:00 a.m. to 6:00 p.m.
Fridays... 8:00 to 9:00 a.m. to 6:00 p.m.
Saturdays... 8:00 to 9:00 a.m. to 6:00 p.m.
Council gave first reading to Bylaw No. 259 to provide for the amendments requested.

Councillors D.G. MacKenzie, K. Wahl and J. Swanto were appointed to a committee to check into the subject of the possibility of holding the Dominion Belling Finals in Drayton Valley. Council gave approval to sanction the appropriation of expenses for the promotion of the project.

It was pointed out that the incentives for admission, programming, concessions, etc., would very likely offset all expenses, but in order to gain the program it was necessary to have security of some sort to back it.

For sometime now Council has been uneasy about the present water supply in view of the projected consumption figures and authorized the Town Engineer to advertise for tenders for drilling Test Holes for additional water supply on the East side of town.

The Public Works Chairman was asked to bring in a report on requirements for gravel, for sidewalks and street maintenance and connection during 1967.

The Secretary was appointed Constable Taker for the Year 1967.

Council meeting adjourned at 12:15 hours.

Canadian Legion

The Royal Canadian Legion, 27th, Social and Bingo held in the Legion Hall last Saturday evening was a great success, according to members of the R.C.L. with a very good attendance of members and guests. On February 11th, the Ladies Auxiliary of the Royal Canadian Legion will hold a combination what drive and bribe game and social evening.

This coming Friday, January 27, the Legion will hold a dance in the hall. Lunch will be available; music will be supplied by the Diamonds, of Devon.

DON'T FORGET JACKPOT BINGO
Every Wed. night in the B.C. Community Hall at 8:00 p.m.
Sponsored by the B.P.O.E.

PEMBINA NEWS ADVERTISER

Vol. 6, No. 4, February 2, 1961 A. Hayford, Publisher. Box 120, Drayton Valley.

P.N.A. 5 YEARS OLD

This issue of February 2nd, marks a five year interval since the time of the publication of the first Pembina News Advertiser, which was published, Issue 1, Vol. 1 on February 2, 1956.

Featured on the front page of the first issue, five years ago was the account of the first Ice Carnival held in Drayton Valley, which was slated for February 17th of that year. Here is a portion of the report as it appeared on page one, Issue 1: ICE CARNIVAL, "Times" come thick and fast these fast-moving days, but another great first planned for Drayton Valley is the big Ice Carnival to be held in Drayton Valley on the evening of Feb. 17th. Spark plug for the big event is Mrs. Marie Fiewelling, who has had considerable previous experience in conducting similar events. Marie is the wife of Frank Fiewelling, who is bigwig for General Petroleum for this area.

As well as the figure skaters who will be entertaining the guests for that evening Drayton Valley mines will also have a chance to compete for the limelight when the Carnival Queen is chosen from among five entries put in by business houses along Oil Row.

Representing the Mobil Oil Pegasus Club will be Gladys Lamon; Gladys will have some real competition in the other four entries listed too: Joyce Humphries, sponsored by Flinn Rig; Marlene White, sponsored by Pembina Pipe Lines; Irene Beck-

ley, sponsored by Security Engineering, and by Al Patterson, sponsored by Dowell Inc.

As well as the honor of being chosen Queen the top-spot place also carries with it a handsome \$50.00 cash prize, which is a nice start toward a milk coat nestegg. Names and pictures of the figure skaters will be announced in a future issue. (The pictures of the live ladies chosen as Queen contestants are placed in the following issue of February 9th) winner of the Queen contest was Miss Joy Ann Patterson, who is now Mrs. Don Beckley. As well as the figure skating and other events (clowns, etc.) it is said that there is going to be a costume parade for the youngsters. In the evening there will be a dance in the Scout Hall to the music of the Les MacDonalds Orchestra from Edmonton. Proceeds from the various events will go towards the Scout Hall.

(As a commentary on how fast the turnover of population was in those days we will list the Scout committee members of that day: Angus McNeil, Chairman; Hugh Coffin, Secretary; Frank Fiewelling, Treasurer; Others on the committee were Ray Wickens, Don Anderson, Bob Carlson, and Mike Beck. How many of that committee are still in Drayton Valley, five years later?

Among the Advertisers in that first issue were Wilmar Foods, (Now the Drayton Valley Groceries), Crown Lumber, Ed's General Store, Violet Grove,

MobilSheet Metal Co., Lantern Inn, Violet Grove, Drayton Valley Hotel, Pembina Gardens (Now Club Cafe), McEwen's General Store (Now Block), Imperial Lumber, Glen Contract-

(Cont'. page 16, Col. 1)

DENTAL OFFICE

Fast-growing Drayton Valley acquired a new dental office, which will open for business about the 20th of February. Open the new 3-chair office will be Dr. H. Shimbashi, formerly in dental practice in Ponoka.

Dr. Shimbashi was born in Taber, Alberta, where his father is a farmer. He graduated from the University of Alberta and went into practice in Ponoka, where he remained until he disposed of the practice there to open the Drayton Valley office.

Very sport-minded he coached the Ponoka High School football team, the Broncos, who went on to win the Central Alberta championship under his coaching. The Edmonton Eskimos have recently signed up six of the lads that he coached.

Dr. and Mrs. Shimbashi and their three children have acquired a suite in Drayton Valley. The dental office, known as Drayton Valley Dental Clinic, is located next door to the post-office.

District Personalities

GORDON CAMERON CROSS

With the coming of the National Amateur Boxing Championships to Drayton Valley the middle of May, with its attendant publicity for this area we will look at a District Personality this week who has played a major role in boxing in Drayton Valley since the Boxing Club was first formed in December 1968, The Boxing Club is now under the auspices of the Drayton Valley Athletic Association.

Gordon C. Cross was born near Ponoka, where he lived on a farm until the age of 16, when the family moved into Ponoka and operated a service station and restaurant. In 1949 Gordon joined the army. He was sent north to wear clothes and equipment for the army under cold-weather conditions. He was discharged in 1950 and went to

Vancouver where he engaged in construction work in British Columbia for a couple of years, when he returned to Alberta and went to work on drilling rigs in the Peace River country. Then he spent three years in road construction as a foreman of a road crew. Returning to the Camrose district he went to work in the oilfields again and in 1955 came to Drayton Valley and went to work for Campon Pipe Line, under his brother, Fred Cross, who was field supervisor of Campon. In 1957 he went to work for Mobil Oil, where he is now employed as pump maintenance man.

Gordon has always been interested in boxing. "Cross, Sr. had been a good boxer and had taught the boys boxing, so young Cross started amateur boxing county exhibitions at the age of 14. Later he moved to Ponoka and teamed up with two other young men to form a boxing club and Gordon fought all over Alberta in the amateur light-heavy weight class and later as a heavyweight. In the army he did quite a bit of boxing and later on the coast and back in Alberta, boxing independently of a club. In late 1958 a Boxing Club was formed in Drayton Valley and Mr. Cross was made president. Within two months a training program was underway with Cross as head trainer and under his training young boxers of this area have won many trophies: there are also two Golden Glove champions, one Northern Alberta Championship and one Provincial Championship to the local Club's credit. Mr. Cross says he hopes to get at least one boy in the National Amateur Championship to be held in Drayton Valley in May. Mr. Cross married Miss Ethel Rubin in 1957. They have two children, Gordon is a member of the Drayton Valley Athletic (Cont'. page 16, Col. 3)

The picture shows the first location of the Pembina News Office which was located in the northwest corner of Hillcrest Trailer Court. This picture was taken in August, 1955. The picture is now located in the Tucker Building in January, 1957. This picture was taken by Socony Mobil Oil Co., Inc. as part of their Photo Library. It is used by courtesy of the local Mobil office.
